Subject: Eating Disorder

I can confirm that the CCG does not hold information requested; please see response below:

QUESTION	RESPONSE
<p>1. How many Eating Disorder (ED) patients have been sent to Scotland for treatment, having received treatment at mental health units under your control each year from 2012 through to 2017?</p> <ul style="list-style-type: none"> • Please also stipulate the number of people who were referred from CAMHS services. • Please also stipulate how many EDs who were referred took up their place for treatment in Scotland. • Please divide figures by treatment unit and lay your answer out in a table. 	<p>Buckinghamshire CCG does not hold this information. The information and data that relate to these questions is held by Oxford Health NHS Foundation Trust and NHS England (NHSE). In-patient eating disorder services are commissioned by NHSE and not local CCGs. If you would like to redirect your request please follow the links:</p> <p>Oxford Health NHS Foundation Trust</p> <p>NHS England</p>
<p>2. Please outline in a similar table to the one above, how many ED patients have been transferred from your care to another authority's care (this includes abroad).</p> <ul style="list-style-type: none"> • For each case please stipulate where they have been transferred to. 	<p>Please see the response to question 1.</p>

The information provided in this response is accurate as of 01 May 2018, and has been authorised for release by Robert Majilton, Deputy Chief Officer and Director of Sustainability & Transformation for NHS Buckinghamshire CCG.
