

**Reference:** FOI 33133 BUCKS 14Y

**Subject:** Rehabilitation Services

*I can confirm that the CCG does hold the information requested; please see responses below:*

QUESTION	RESPONSE
<p><b>We are working on a programme of research aiming to optimise outcomes after wrist fracture in the over 50s.</b></p>	
<p><b>1. Does your CCG commission rehabilitation services e.g. physiotherapy or occupational therapy, for patients over the age of 50 after wrist fracture? Yes / No (please delete inappropriate option)</b></p>	<p><b>Yes</b></p>
<p><b>2. Within your CCG, are there any local criteria or policies that are being used to guide clinical decision-making regarding referrals to rehabilitation after wrist fracture? Yes / No (please delete inappropriate option)</b></p>	<p><b>No</b></p>
<p><b>3. If yes to Question 2, please can you send us a copy of the said criteria or local policies (e.g. PDF, Word Doc)? Please attach in your email response or send via post to the address below.</b></p>	<p><b>Not applicable</b></p>

4. Are there any restrictions on clinicians' referrals to rehab services (physiotherapy / OT / other) for patients with wrist fracture?	No
