

**Reference:** FOI 35439 BUCKS 14Y

**Subject:** Breastfeeding Support

*I can confirm that the CCG does hold some of the information requested; please see responses below:*

QUESTION	RESPONSE
<p><b>1. Did the CCG commission a breastfeeding support service (including peer support) in the years 2014-2019? If so, please supply details, including budget (per year) and number of service users accessing the service for each of the years 2014-2019. Please attach a copy of the most recent service specification.</b></p>	<p>Infant feeding support and breastfeeding targets is a deliverable , remains so and is on our local dashboard for monitoring.</p> <p>The breastfeeding support services in this time period are all commissioned as part of a block contract.</p> <p>The development of infant feeding specialist midwife and team of support workers are included in the midwifery establishment. That detail is held by the provider organisations Buckinghamshire Healthcare NHS Trust not the CCG. Support is also provided by lay supporters – volunteers</p> <p>The Health Visiting Service is commissioned by Buckinghamshire Council – Public Health.</p>
<p><b>2. If breastfeeding support was not directly commissioned, did the CCG provide funding for breastfeeding support in the years 2014-2019? If so who provided the service (e.g. health visiting /midwifery) and please supply details, including budget (per year) and number of service users accessing the service for each of the years 2014-2019.</b></p>	<p>Not applicable</p>
<p><b>3. If the CCG did not commission a breastfeeding support service, did it fund breastfeeding support from lay breastfeeding supporters (non-health professionals), for example from professional breastfeeding counsellors, in the years 2014-2019? Please supply details, including</b></p>	<p>Not applicable</p>

<b>budget (per year) and number of service users accessing the service for each of the years 2014-2019.</b>	Not applicable
